## **Introduction**

The Northern Territory harmonised the grouping provisions of its payroll tax legislation with most other jurisdictions from 1 July 2008.

The effect of the harmonised arrangements is that a group will comprise the same members in each jurisdiction where any one member employs. Similarly, if a member seeks to be excluded from the group, an exclusion application must be made to each jurisdiction even if the member seeking the exclusion does not employ in that jurisdiction.

Where a member of a group that pays interstate wages seeks to be excluded from the group, the Territory Revenue Office (TRO) will consult with other relevant Revenue Offices as part of the process in determining the application. Such consultation is authorised under Part 10 of the *Taxation Administration Act* and similar legislation in other jurisdictions.

The following sets out the information that is required with an application for exclusion.

For further information on the grouping provisions and the circumstances where a member may be excluded from a group, refer to the *Employers' Guide to Payroll Tax in the Northern Territory (I-PRT-001)* and Payroll Tax Ruling [PTA031 Commissioner's Discretion to Exclude from a Group](#) which can be accessed on the TRO website [www.revenue.nt.gov.au](http://www.revenue.nt.gov.au).

Provide the following details for all group members in the Northern Territory and Interstate. All questions must be addressed. If the question does not apply to your particular circumstance please indicate 'not applicable'.
