### 1. Introduction

The guide to the application (the guide) explains the eligibility criteria for the stamp duty Territory home owner discount (THOD), the lodgement requirements for applications and [applicant](#) obligations. Please read it carefully before completing the application form. The guide is for your ongoing reference and should not be lodged with your application.

Reference is made in the guide to Commissioner's Guidelines, which have been issued to provide further clarification on the eligibility criteria and related matters. Commissioner's Guidelines can be accessed from the [Territory Revenue Office \(TRO\) website](#) under [Publications](#).

### 2. Purpose of the THOD

The THOD is available from 8 February 2019, to provide eligible home buyers who have not held a relevant interest in a home in the Northern Territory in the past 24 months, a reduction on the stamp duty otherwise payable up to a maximum of \$18 601 when they purchase a home valued at \$650 000 or less.

The THOD is available to eligible home buyers who are building or purchasing a home, or vacant land on which to build a home, to live in as their principal place of residence. For vacant land, evidence of the intention to build must be supplied at the time of lodgement or, alternatively, the full stamp duty must be paid and a refund claimed when the evidence is available.

The 24-month period does not apply to applicants who no longer hold or will no longer hold an interest in property as a result of a breakdown of a marriage or de facto relationship.

### 3. Key terms

#### **Applicant**

A person (or persons) acquiring a property to which the application relates.

#### **Approved Agent**

A conveyancer or solicitor who has been approved by TRO to self-assess stamp duty on [conveyances](#) of property.

#### **Commissioner**

The Commissioner of Territory Revenue.

#### **Conveyance**

[Conveyance](#) includes a:

- contract for the purchase of a property
- transfer of a property whether by way of sale or gift
- transfer and a grant of a lease from the Territory that is convertible to an estate in fee simple
- transfer, grant, sublease or lease from the Commonwealth or Territory, or under section 19 or 19A of the *Aboriginal Land Rights (Northern Territory) Act 1976* (Cth) for a term of 15 years or more.

#### **De facto partner**

Persons, including same sex partners, who are not married to each other but are in a marriage-like relationship. For further information on the meaning of a 'de facto relationship' and factors considered in determining one, refer to Commissioner's Guideline [CG-HI-004](#)

### Eligible transaction

A conveyance of land or home to a Territory Home Owner executed on or after 8 February 2019.

#### Note:

Prior to 7 May 2019, first home buyers may be eligible for the [first home owner grant \(FHOG\)](#) of \$26 000 for new homes or the [first home owner discount](#) of up to \$23 928.60 for established homes. An applicant who is eligible for one of these schemes **cannot** also receive the THOD.

On or after 7 May 2019, first home buyers may be eligible for the FHOG of \$10 000 for new homes. An applicant who is eligible for the \$10 000 FHOG **can** also receive the THOD.

### Home

A building that is affixed to land where that building may lawfully be used as a place of residence and the [Commissioner](#) is satisfied it is a suitable building for use as a place of residence. It can include a transportable [home](#) permanently affixed to land and a unit in a unit complex.

If the building is within a Building Control Area under the *Building Act*, it must have the requisite approvals to be lawfully occupied as a place of residence. This is generally represented by an occupancy permit. If outside the Building Control Area, the building must have the structural integrity, essential facilities and services for use as a place of residence.

For further information on whether a building qualifies as a [home](#), refer to Commissioner's Guideline [CG-HI-06](#).

### HRG

The home renovation grant, which is available to first home buyers who are purchasing an established home

### Permanent resident

A person who holds a permanent visa under section 30 of the *Migration Act 1958* (Cth) or a New Zealand citizen who holds a special category visa under section 32 of that Act.

### Possession

When the [applicant](#) obtains the right to occupy the property. If the property is acquired with vacant [possession](#) (that is, without an existing lease), it is the [settlement date](#). If the property is acquired with an existing lease, it is the date the lease expires or is terminated.

### Principal place of residence

The [home](#) in which the [applicant](#) primarily resides. The most important characteristic of a [principal place of residence](#) is that the residence must be occupied on an ongoing or permanent basis as the [applicant's](#) settled or usual place of abode. It does not include a residence where occupation is transient, temporary or of a passing nature, or if the occupation is for some other purpose (such as renovating the residence for sale).

For further information on the meaning of 'occupy' and [principal place of residence](#) refer to Commissioner's Guideline [CG-HI-005](#).

### Related

For the purpose of the THOD, a person is related to another party when:

- one is the [spouse](#) or [de facto](#) partner of the other
- they are related by blood, marriage or adoption
- one is a shareholder or director of the other party
- one is a beneficiary of a trust for which the other party is trustee
- they are trustees of trusts which have common beneficiaries
- they are partners in a partnership
- they are participants in the same joint venture
- they are co-owners of property, whether held as joint tenants or tenants in common
- they have a prior business relationship
- or the transaction is not otherwise at arm's length. A transaction is generally considered to be at arm's length when it is between independent and unrelated persons, conducted on an equal footing in which each acts in his or her self-interest.

### **Relevant interest**

Refers to the means by which a person has held or holds an interest in a [residential property](#). The most common interest is a freehold interest (such as where ownership of the land is registered in that person's name). It also includes other interests, such as an interest of a lessee or sublessee under a long term lease granted by a state, territory or Commonwealth, or under certain legislation relating to Indigenous land.

An equitable interest in land (such as trust interest) is not a [relevant interest](#) unless it is the interest of a person under a legal disability for whom a guardian holds the interest.

### **Residential property**

Land on which there is a building that can be lawfully occupied as a place of residence and is suitable for use as a place of residence. It includes buildings on non-residential land such as farming property.

### **Settlement date**

The date the [conveyance](#) is completed.

### **Spouse**

Two persons validly married to each other and, in the case of Aboriginal or Torres Strait Islander persons, are married to each other according to the customs and traditions of the particular community of Aboriginal or Torres Strait Islander persons with which either party to the marriage identifies.

### **Territory home owner**

A person who has not held an interest in residential property in the Northern Territory in the 24 months prior to the execution of the conveyance. However, the 24 month period does not apply if a person no longer holds or will no longer hold an interest in residential property as a result of a breakdown in a marriage or de facto relationship.

## 4. Amount of the THOD

For transactions entered into from 8 February 2019, the THOD reduces the stamp duty otherwise payable on the [conveyance](#) by up to \$18 601.

Calculators to assist in determining the stamp duty payable are provided on the TRO website at [www.revenue.nt.gov.au](http://www.revenue.nt.gov.au).

## 5. Eligibility criteria

Persons are eligible for the THOD if they satisfy the following criteria.

- **Criterion 1 – Natural persons**

All [applicants](#) must be natural persons, that is, not a company.

- **Criterion 2 – Minimum age**

At the date of the [conveyance](#), at least one [applicant](#) must be 18 years of age or more.

[Applicants](#) may be exempted from this requirement if the [Commissioner](#) is satisfied they are genuinely acquiring the property for their own benefit. For further details refer to Commissioner's Guideline [CG-HI-003](#).

- **Criterion 3 – Australian citizenship or permanent residency**

At the date the application is made, at least one [applicant](#) must be an Australian citizen or [permanent resident](#).

If persons become Australian citizens or [permanent residents](#) after the date of the [conveyance](#), they may still be eligible for the THOD provided their citizenship/residency is effective before the period for commencement of occupation expires.

However [applicants](#) will need to pay the full stamp duty to allow settlement to proceed and claim a refund when they have obtained citizenship or permanent residency.

- **Criterion 4 – No other concession**

Excluding the BuildBonus and the \$10 000 FHOG, the [applicant](#) must not have been paid nor be entitled to another grant, discount, concession or rebate administered by the Commissioner on the purchase of the [home](#).

- **Criterion 5 – First home in the Northern Territory in the past 24 months**

[Applicants](#) and their [spouses/de facto partners](#) must not have held a [relevant interest in residential property](#) in the Northern Territory in the 24 months prior to the date the conveyance was executed. This applies even if the [spouse/de facto partners](#) are not party to the [conveyance](#) to which the application relates.

An exception applies for relevant interests in residential property formerly held by an applicant or their spouse/de facto partner solely in their name or together with a former spouse/de facto partner prior to the breakdown of the marriage or de facto relationship. Applicants seeking to have prior relevant interests disregarded are required to lodge supporting documentation as set out at section 9. Please also refer to [CG-HI-001](#) for further information.

- **Criterion 6 – Acquiring whole property**

The [applicants](#) must be acquiring the whole beneficial interest in the land.

- **Criterion 7 – Acquiring property in own right**

**Applicants** must be acquiring the property in their own right, not in any other capacity such as an agent or trustee.

An exemption applies to a guardian acquiring a property for a person with a legal disability. In these circumstances, the guardian may apply for the THOD on behalf of that person. A copy of the guardian's lawful appointment must be provided with the application form.

- **Criterion 8 – Occupancy requirements**

At least one **applicant** must occupy the **home** as his or her **principal place of residence** for a continuous period of at least six months commencing within 12 months after taking **possession** of the **home**, which must occur within 12 months after the **settlement date**.

- **Criterion 9 – Transaction**

The **applicants** must have executed the conveyance to acquire the home or land on or after 8 February 2019. For vacant land, evidence of the intention to build must be supplied at the time of lodgement.

- **Criterion 10 – No prior transaction**

**Applicants** are NOT eligible to claim the THOD if:

- the contract (the subject of this application) replaces a contract made, either by the **applicant** or a person **related** to the **applicant** before 8 February 2019 to purchase the same or a substantially similar **home**
- the purchaser had an option to purchase the **home** (or a substantially similar **home**) granted before 8 February 2019
- or the vendor had an option to require the purchaser to purchase the **home** (or a substantially similar **home**) that was granted before 8 February 2019.

## 6. Discretion to vary the occupancy requirements

In special circumstances, the occupancy requirements may be varied by the **Commissioner** as follows:

- all **applicants** may be exempted from the occupancy requirements
- the period for commencing occupation of the **home** or for taking **possession** of the **home** after the **settlement date** may be extended
- the six-month period for continuous occupation of the **home** may be reduced.

For further information refer to Commissioner's Guideline [CG-HI-003](#).

## 7. Failure to comply with the occupancy requirements

Persons who have received the THOD must notify TRO in writing within 30 days after it first becomes apparent none of the **applicants** will be able to comply with the occupancy requirements

Failure to do so is an offence for which a maximum penalty of 50 penalty units may apply (current penalty unit values are available from [www.revenue.nt.gov.au](http://www.revenue.nt.gov.au)).

Where all of the persons fail to comply with the occupancy requirements, or are not otherwise eligible for the THOD, stamp duty is reassessed as if they were not eligible for the THOD. Interest

and penalty tax may be included in the reassessment if the parties did not notify TRO within the required period or if their non-compliance is identified through the TRO compliance program.

## 8. Procedure for applying for THOD

To obtain the THOD at the time the stamp duty is assessed, the application with supporting evidence must be provided when the [conveyance](#) is lodged with TRO or an [approved agent](#) for assessment of stamp duty.

To obtain the THOD after stamp duty has been assessed and paid, please refer to section 10 of this guide, Refunds.

## 9. Supporting evidence

All documentation provided in support of applications must be either an original or a legible photocopy. All original documents will be returned by regular post and the TRO will not accept liability for any loss or damage incurred during transit.

**Note:** To apply for the THOD after stamp duty has been assessed and paid, the original document evidencing the [conveyance](#) (usually the contract of sale) must be re-lodged with the application.

The following documentation must be submitted with the application.

### 1. Proof of age, identity and Australian citizenship or permanent residency

Each [applicant](#) and his or her [spouse/de facto partner](#) must provide proof of identity.

The proof must also demonstrate that at least one [applicant](#) is 18 years of age or more at the date of the [conveyance](#) and at least one [applicant](#) is an Australian citizen or [permanent resident](#). The proof may take the form of the following documents.

### 2. Declaration by a non-applicant [spouse/de facto](#) partner

### 5. Separated spouses

Despite separation, persons in a valid marriage remain **spouses** until the marriage is formally dissolved. In these circumstances, the **applicant's spouse** must make a declaration (under item 2 of the supporting evidence).

The **Commissioner** may, on written application, treat the parties as if they were not married if satisfied they have separated and will not resume cohabitation. **Applicants** seeking the exercise of this discretion must provide a statutory declaration confirming the following information when lodging their THOD application:

## Spouse/de facto partner declaration

Please note that for eligibility purposes the [spouse/de facto partner](#) of an [applicant](#) cannot hold or have held a [relevant interest](#) in a [residential property](#) in the Northern Territory in the past 24 months prior to the date the conveyance is executed. However, the 24 month period does not apply if a person no longer holds an interest in residential property as a result of a property settlement due to a relationship breakdown with a former spouse or de facto partner.

I declare that:
