

Mineral Royalty Act

Section 11

Office use only Date lodged

Notification of Information

Within 30 days after the decision is made to commence production of a commercial quantity of a saleable mineral commodity from the production unit or proposed production unit, section 11 of the *Mineral Royalty Act* (MRA) mandates that the responsible person (as defined in section 10A of the MRA) for the production unit must notify the Secretary in writing of that fact and the following information.

Failure to provide the information identified in this form to the extent that the responsible person is able to, can result in a criminal offence punishable by up to 40 penalty units.

SECTION 1

The name, address and designation of the responsible person for royalty matters.

Title Dr Mr Mrs Ms Miss

First name Surname

Address

Telephone Facsimile

Email

Designation

SECTION 2

The location or locations of the production unit (including mining tenement number(s)), a description of the nature of its operations and processes, the minerals and mineral commodities being or to be recovered, and its work program and mining schedule.

If more space is required please attach a separate schedule.

SECTION 3

The name(s) and address(es) of the mining tenement holder(s) whose tenement(s) form part of the production unit or proposed production unit.

If there are more than three mining tenement holders, please attach a separate schedule.

SECTION 5

The date on which a royalty year (fiscal period not exceeding 12 months for which the accounts are made up by the royalty payer) commences for the production unit. For example, 1 January or 1 July.

Date

SECTION 6

Identify and describe the accounting basis on which royalty returns will be prepared.

In addition to the above, it is also a requirement of section 11 for the responsible person to notify the Secretary in writing within 30 days of any of the following events:

- (a) any change in the name or address of the responsible person or manager of the production unit or proposed production unit;
- (b) any change in the ownership of the production unit or proposed production unit or of a mining tenement which forms part of the production unit or proposed production unit;
- (c) any significant change in the level of production of a mineral commodity by the production unit;
- (d) any discontinuance of the commercial production of a mineral commodity; or
- (e) any recommencement of the commercial production of mineral commodity after discontinuance.

Only the responsible person, or person having authority to provide this information on behalf of the responsible person, can complete and sign this document.
